"Beyond All Odds" . The saga started in "Beyond All Reason" continues. March 15, 1781, past due afternoon of a cold, dreary, unforgiving day; and the conflict at Guilford Courthouse, NC keeps to rage on - each side now displaying equivalent indicators of exhaustion. The unforeseen arrival of clean American troops conjures up basic Greene's squaddies to struggle with renewed power and progressively strength the British military back. common Cornwallis needs to point the taking part in box . or forfeit one more conflict he can't come up with the money for Beyond All Odds to lose. With just a moment's hesitation, he provides the order; British artillery roars, spewing lethal grapeshot into the midst of the melee, killing indiscriminately . either insurgent and British squaddies falling lower than the onslaught. because the smoke clears, Beyond All Odds Lieutenant Jackson, a British dragoon officer, reveals himself miraculously Beyond All Odds nonetheless among the living. Scanning the crumpled our bodies scattered around the red, Beyond All Odds oozing mud, he mourns the Beyond All Odds devastating lack of friends, unknown foes . and those who had encompassed his very lifestyles for the previous 5 years. yet grieving needs to watch for Beyond All Odds he has a sacred promise to fulfill: rescue an blameless baby earlier than she turns into a pawn during this war. For she will be thought of a 'valuable prize' through both side. However . do appearances regularly signify reality? Has every little thing actually been misplaced at the battlefield? To whom can he turn? the place can he go? And is the shelter to which Lieutenant Jackson eventually flees with little Gabrielle Tarrington actually a haven . or basically simply one other hell on earth?
