# Chronicler of the Winds by Henning Mankell

Henning Mankell

A haunting and robust tale approximately war-torn Africa, a magical orphan boy, and the ability of narrative to offer a chaotic international order. within the scorching African evening a unmarried gunshot cracks the silence. José Antonio lines the sound to the level of the neighborhood theatre company, the place he unearths Nelio, the younger prophetic chief of the city's highway kids, crumpled in blood. Nelio refuses to be taken to the health center yet as a substitute tells Jose his life's story: how bandits raided his village, his bold escape, and his fight to outlive at the streets. José is irrevocably changed. He turns into the Chronicler of the Winds, revealing Nelios's magical story to all who will listen.

???Hanning Mankel?"chronicler of winds". (11~17,200?????)The first part is four star; the opposite part is three star. i didn't learn the other novels by means of Mankell even though i do know he's an exciting or detective writer. yet Chronicler of the winds is hardly ever matched to his style.Actually the tale is a delusion instead of a common fiction story, that is touching and revealing.Below are the digests. The final phrases Nelio stated ahead of loss of life "My physique is so small" implies lot. How may perhaps we to stand the realm packed with crimes? How may well we be ready to make anything for it? might be the desires exist in basic terms in children's minds.????????????
