Closet Space: Geographies of Metaphor from the Body to the Globe

Michael P. Brown

Is the closet only a metaphor? Closet house offers a hugely unique account of the spatial metaphor of "the closet," and is the 1st geography textual content to target this crucial issue. Utilizing a number of examine suggestions and materials, the ebook explores the closet via texts including: * the oral histories of homosexual males within the united kingdom and US* the sexualised panorama of a brand new Zealand city* the nationwide census of england and the US* overseas shuttle courses and travelogues and refers back to the paintings of Butler, Lefebvre and Foucault.
