Mrs Harris Goes To Paris (Mrs. 'Arris #1)

Paul Gallico

Mrs Harris is a salt-of-the-earth London charlady who cheerfully cleans the homes of the rich. One day, while tidying girl Dant's wardrobe, she comes around the most lovely factor she has ever noticeable in her lifestyles - a Dior dress. In the entire years of her drab and humble existence, she's by no means visible something as magical because the gown sooner than her and she's by no means sought after something as a lot before. made up our minds to make her dream come true, Mrs Harris scrimps, saves and slaves away until eventually one day, after 3 long, uncomplaining years, she ultimately has adequate funds to visit Paris. whilst she arrives on the condominium of Dior, Mrs Harris has little inspiration of ways her existence is ready to be grew to become the wrong way up and the way many different lives she is going to rework forever. constantly kind, consistently cheery and constantly winsome, the indomitable Mrs Harris takes Paris through hurricane and learns one in Mrs Harris Goes To Paris (Mrs. 'Arris #1) all life's maximum classes alongside the way. This treasure from the Fifties introduces the irrepressible Mrs Harris, half charlady, half fairy-godmother, whose adventures take her from her humble London roots to the heights of glamour.

Nella nostra vita di lettori ci capita spesso di imbatterci in personaggi di carta che avremmo voluto conoscere o avremmo preferito Mrs Harris Goes To Paris (Mrs. 'Arris #1) evitare, personaggi che avrebbero potuto tranquillamente diventare i nostri migliori amici, altri di cui ci saremmo innamorate al primo colpo, altri ancora che ci saremmo scelti come confidenti. Noi lettori lo sappiamo: los angeles magia di un libro si manifesta nei modi più diversi, più strani o più quotidiani. Così sono stata vittima di una stupenda magia non appena mi sono imbattuta nella signora Harris. Ritrovare romanzi che non appartengono ai nostri tempi, ma che furono pubblicati una cinquantina d'anni fa e che ora vengono riproposti, mi sta facendo apprezzare autori e storie passate, modi di essere e di vivere così lontani dai nostri eppure così comprensibili, così condivisibili. Mai avrei potuto immaginare che l'incontro con los angeles signora Harris, una donna vissuta negli anni '50 sulla carta, sarebbe stato un incontro eccezionale. Una donna normale, tranquilla, che si è fatta strada nella mia mente e all'improvviso nel mio cuore con los angeles stessa energia di una Agnes Browne o di una ziaMame: una forza della natura! Chi è los angeles signora Harris? È una donna ormai matura, che non chiameremo vecchia solo consistent Mrs Harris Goes To Paris (Mrs. 'Arris #1) with educazione e delicatezza, una donna che ormai ha passato l. a. giovinezza, vedova da anni, e che trascorre il suo pace dedicandosi al lavoro: governare le case altrui, pulirle, tenerle in ordine. Non ha grandi pretese o ambizioni: le piace quel che fa, le piace poi rintanarsi nella sua casa e concedersi gerani sempre freschi, come unico vezzo, e giocare ogni settimana qualche spicciolo alla lotteria. Tutti los angeles apprezzano e si fidano della donna. advert un certo punto nella storia c'è un vero e proprio squarcio, come se los angeles vita della dolce signora Harris fosse stata improvvisamente interrotta, staccata, tagliata. Che succede? Nessuna malattia, morte, o disgrazia. La nostra protagonista incontra los angeles bellezza e da quel momento in poi non riuscirà più a liberarsene. Quella bellezza dovrà essere sua, e tutta los angeles sua vita inizierà a ruotare intorno a quell'obiettivo. Dove l'ha trovata? Nell'armadio di una donna presso cui lavora: le si è presentata sotto le spoglie di un abito di Dior. Da questo

punto in avanti niente sarà più come prima. Ma non posso continuare a raccontarvi io los Mrs Harris Goes To Paris (Mrs. 'Arris #1) angeles storia: Paul Gallico ci è riuscito davvero bene. Lo scrittore in poche semplici pagine ci racconta come i sogni aiutino le persone a credere e advert avere più ragioni in step with vivere, come ci si impegni according to raggiungere quei sogni, sia quando il mondo sembra cospirare Mrs Harris Goes To Paris (Mrs. 'Arris #1) consistent with aiutarti a raggiungerli, sia quando invece sembra remarti contro. Ci racconta di come ciò che conti, alla fine, non è tanto o almeno non è solo il raggiungimento dell'obiettivo ma il percorso che abbiamo fatto consistent with arrivarci, gli ostacoli superati, l. a. pazienza che abbiamo esercitato e le persone che ci hanno aiutato. Avere un sogno arricchisce, in ogni momento, e il solo pensiero rende los angeles vita più bella. Banalità? Certo, a qualcuno potrebbero sembrare. Potrebbero essere concetti chiari, scontati, risaputi. Ma Gallico li ha saputi trasformare in una favola moderna, los angeles cui protagonista non è certo una principessa, ma una donnina che sembrava non avere più sogni nella vita, ma solo una noiosamente tranquilla quotidianità. los angeles storia è riuscita advert emozionarmi, advert elettrizzarmi, a farmi amare autore e protagonista. Scoprire, grazie advert un weblog amico (My Bookshelf) che questo non è l'unico romanzo dedicato alla Harris ma ne esistono altri tre, anche se nessun altro è stato tradotto in italia, mi ha resa ancor più felice: riuscire a recuperarli potrebbe diventare il mio piccolo sogno del momento!quihttp://cuoredinchostro.blogspot.com/...
