Paul Valery: Philosophical Reflections

William Kluback

the place the thinker has feared to tread, in a realm that has been declared not just non-philosophical, yet anti-philosophical, this learn makes an attempt quietly to light up Paul Valery's reflections on literature, painting, sculpture and poetry. Professor Kluback ventures into this global of aesthetic insights which has usually appeared reserved just for the artist, Paul Valery: Philosophical Reflections and rancid limits to the philosopher, whose explorations have a tendency more and more to be limited to the technicalities of common sense and dialectic.

Paul Valery Philosophical Reflections
