Poststructuralism, Marxism, and Neoliberalism: Between Theory and Politics

Michael A. Peters

This advent to the politics of poststructuralism specializes in interrelated themes: the tradition of Western Marxism and modern neoliberal capitalism. Poststructuralism isn't a kind of anti-Marxism, Peters argues; indeed, poststructural philosophers view themselves in a few type of courting to the Poststructuralism, Marxism, and Neoliberalism: Between Theory and Politics legacy of Marx. both they've been Marxist or nonetheless view themselves as Marxist. In a post-Marxist period they've got invented new methods of interpreting and writing Marx. Peters severely engages neoliberalism, an ideology that's devoted to the revitalization of homo economicus and neoclassical economics. This booklet is a deconstruction of neoliberalism, regarded as a world-historical political undertaking aimed toward a kind of globalisation.
