

RECITATIVE

Prose by James Merrill

Edited and with an Introduction by J. D. McClatchy

Recitative by James Merrill

James Merrill

Recitative is a unprecedented accumulating of prose pieces, written over a interval of 40 years, by means of one among this country's such a lot exclusive poets. There are essays and interviews, tales and reviews. a few of this fabric looks right here Recitative for the 1st time; so much of it has lengthy been out of print or unavailable. introduced together, it's a invaluable addition to Merrill's work, delivering a different remark on his personal poems, in addition to a number insights approximately different writers- all highlighted through a severe intelligence of bizarre subtlety, wit, and eloquence. "There are after all," writes Mr. Merrill, "things to be stated for prose." just a poet of his gits may have stated lots in those prose pieces--at as soon as a examine of and a tribute to the artistic temperament.
