# **The Election of 1896 and the Administration of William McKinley**

Arthur M. Schlesinger Jr.

The 15 volumes within the sequence significant Presidential Elections, and the administrations that followed, take an in-depth examine the main important, influential, and fascinating presidential campaigns in American history. The books, compiled below the editorial management of Pulitzer Prize-winning historian Arthur M. Schlesinger, jr., function a protracted essay at the election in addition to an annotated choice of vital letters, speeches, coverage statements, and different records concerning the presidential administration. The books are lavishly illustrated with colour pictures of campaign-related paraphernalia, displaying how the presidential applicants introduced their messages to the voters.
