The Secret File of the Duke of Windsor

Michael Bloch

during this fabulous and authoritative work, in response to their inner most correspondence and papers, Michael Bloch describes the feud which built among the Duke of Windsor and the British royal institution after the Abdication, the humiliations that have been suffered by means of the ex-King and his wife, and the plots to make sure that they remained in exile.

Very attention-grabbing and an perception into the Royal Family. they could relatively carry a grudge!
