

The Single Man's Guide to Cooking with Wine

Streeter F. McClure

For years, Streeter McClure's culinary repertoire, like many unmarried men, consisted of boxed dinners and ramen noodles. After by accident learning that beer more suitable the flavour of his meal, he made up our minds to create a set of beer-infused recipes. The result, "The unmarried Man's consultant to Cooking with Beer, "enhanced the cooking talents of bachelors everywhere. Following an overwhelmingly confident reaction to his culinary endeavors, he got down to

overcome one other cooking ingredient--wine. He studied its interactions with an array of food, accumulated assistance from wine enthusiasts, and slaved within the kitchen to construct enjoyable nutrients for budding bachelor chefs. choked with inventive, savory recipes, "The unmarried Man's advisor to Cooking with Wine "is a necessary merchandise for unmarried males to provoke on any occasion, from great Bowl parties, to roommate dinners, to cooking for a date.
