go back to New Orleans... at the outside, she is hearth and ice. yet cool, calm, and picked up Katrina Smith is not all that she seems. Like a rippling pool, waves from her prior proceed to shake her inside. Katrina and Aubrey's tale I expected from Thierry's Angel. i love the again tale of Katrina. i discovered it extra plausible on the grounds that this writer has alluded to Katrina's earlier within the different prior books. the image at the conceal does not fairly painting how Aubrey was once defined within the book. Aubrey...sigh he is nonetheless excessive at the Chevalier scale of Alpha-possessiveness. yet i did not locate his transition as delicate as The Taming of Katrina (Chevalier Men #3) i believe The Taming of Katrina (Chevalier Men #3) the writer idea she sought after it to be. SPOILER: He wore glasses so his grandmother may forget about him? Huh? He saved a 'disguise' for therefore decades to drop it away in an issue of days?It did not detract from the tale yet I although it can were extra of a great tale against an ok story.I nonetheless will proceed directly to eternally Jade simply because i'm too interested in Jade's tale and the continuation of the Chevalier men.
